July 24, 1992

Mr. Steven D. Smith
Manager, Remedial Projects
Monsanto Chemical Company
800 North Lindbergh Boulevard.
St. Louis, Missouri, 63167

Dear Steve:

The Illinois Environmental Protection Agency hereby approves the Treatability Study Addendum that was submitted on April 29, 1992. This approval is granted for the Treatability Study and its addendum as a component of the RI/FS workplan as described in Section V.D of the February 13, 1992 Consent Order. Approval of the treatment technologies in no way constitutes acceptance or approval of the Treatability Study as an acceptable remedial design document or remedial action alternative.

Sincerely,

Paul E. Takacs, Project Manager
Federal Sites Management Unit
Division of Remediation Management
Bureau of Land
